

S.L.SURI D.A.V.PUBLIC SCHOOL, JANAK PURI
SUMMER VACATION HOLIDAYS HOMEWORK
CLASS – IV

ENGLISH

- Do 15 pages of writing in a thin notebook.
- Select any 10 words from the dictionary and draw whatever comes to your mind related to the picture in card form. (size- A4 size sheet)
- Watch English movie Moana and write a paragraph in about 80-100 on what you learnt from the movie on A4 size sheet.
- Read the Jeronimo Stilton (series-7) and design your own book cover for the book.

MATHEMATICS

- Make a table calendar for your study table. On each page write one table from 2 – 12.
- Revise the chapter 1, 2, 3 in Practice Note Book.
- Roll No (1 – 15) :-
Prepare a colorful board game which tests your mathematical skills. Be as creative as possible. You may make question cards or puzzle cards. Dice & coins may be used for playing the game.
- Roll No (16 - 30) :-
With the help of a Tangram kit, make any three pictures on separate A-4 sheet.
- Roll No (31 - 44) :-
Visit any Historical place. Paste or draw a picture of the monument on an A4 sheet and give the following details:-

| S.No. | Name of Monument | Years of Completion | No. of years till 2017 |
|-------|------------------|---------------------|------------------------|
|-------|------------------|---------------------|------------------------|

Calculate the No. of years and days that these monuments have stood through time.

- Revise the work done in the class.

SCIENCE

- Make a small booklet by cutting the A-4 size sheets into half, tie it nicely and do the entire work in it and make a decorative cover.
 - Visit the florist and make a list of around 10 lesser known imported flowers available with them. Get their pictures and paste them in the booklet clearly mentioning their name, the country/state where they are grown and other information. Use a single page of the booklet for each flower.
 - Read about some insects and list around 10 insects both useful and harmful stating the disease they cause or the benefit they bring to us. Paste their pictures in the booklet along with the information by using single page for each insect.

- Do the assignments given in the class.
- Learn the content done in the class.

SOCIAL STUDIES

- Visit a vegetable shop and note down names of any five vegetables in English and Hindi and their price/kg. Paste its picture in your scrap book and write the information you have collected.
